

AgriTraxx® Undercarriage Wheel

“3000 Hour” Work-Life Warranty

TERMS OF WARRANTY:

For all “3000 Hour” Work-Life Warranty claims, Superior Tire & Rubber Corp. will conduct a full examination of the product. The 3000 hour limit applies only to product being used in a reasonable application. If Superior Tire & Rubber Corp.’s examination shows that an AgriTraxx® undercarriage wheel has failed under the terms of this policy, Superior Tire & Rubber Corp. will repair, replace, or make a reasonable allowance on the purchase of a new product based on the estimated wear-life remaining at Superior Tire & Rubber Corp.’s sole discretion. Cost of service, transportation, and sales tax will be the responsibility of the claimant. Superior Tire & Rubber Corp. will not warrant AgriTraxx® undercarriage mid-rollers, idlers, or drive wheels that show normal material wear defined as material chunking, chipping, or tearing that does not prevent the function of the product. Superior Tire & Rubber Corp. does not warrant product that is subjected to misapplication, misuse, neglect, alteration, or damage and are hereby not responsible for personal injury, equipment damage, or property damage associated with misuse of normal operating procedures.

TERMS OF WARRANTY REGISTRATION:

Superior Tire & Rubber corp. warrants that our AgriTraxx® Mid-rollers, Idlers & Drive Wheels will offer a minimum of 3000 hours without bond or material failure that results in a loss of work-life. Registration must be completed online at www.superiortire.com by going to the Agricultural Components tab, then the AgriTraxx® Products tab and clicking on “AgriTraxx® 3,000Hr Guarantee Registration” within 30 days of purchase. Without proper product registration, within the 30 day time period, the 3000 hour warranty is void and normal warranty limits apply. Normal warranty limits are defined under Superior Tire & Rubber Corp.’s standard warranty terms and conditions.
