CUSHOTRAC® ReDDiGrip™

MACHINES UP TO: 22,000LBS
PAD SIZES: 450-500MM

The CUSHOTRAC® ReDDiGrip™ takes rubber roadliner-style bolt-to-link track pads to the next level, outperforming competitors in cost, availability, and service. Proudly made in America, they offer unmatched durability with a 100% Work-Life Guarantee.

Availability

Made in Pennsylvania specifically for your machine. Typically ships within 72hrs of order placement.

Durability & Traction

Designed to deliver exceptional strength and grip - without compromising on either.

Metal-to-Metal Contact

Bolt holes drilled down to the metal, allowing hardware to remain secure throughout their wear-life.

Applications:

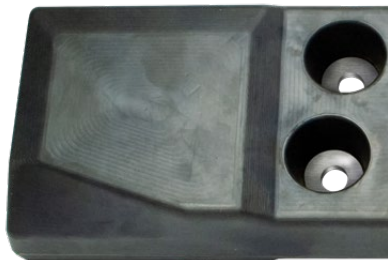

Recommended for:

- ✓ Construction
- ✓ Landscaping
- ✓ Utility
- ✓ General Purpose

Not recommended for:

- ✗ Forestry conditions such as standing water or swamps
- ✗ Demolition such as rough/jagged rock or broken concrete
- ✗ Derailment/High-Rail applications

For aggressive, all purpose applications: Polyurethane CUSHOTRAC® ReDDi™.
