## GUARANTEES/WARRANTIES

### **CUSHOTRAC® ULTIMATE™ 2000 Hour Wear-Life Guarantee**

All CUSHOTRAC® ULTIMATE™ milling machine track pads come with a true 2,000 hour wear-life guarantee. Product registration is required.

### **CUSHOTRAC® POLY BTS™ 1000 Hour Wear-Life Guarantee**

All CUSHOTRAC® Poly BTS™ milling machine track pads come with a true 1,000 hour wear-life guarantee. Product registration is required.

### **CUSHOTRAC® ReDDi™ 2 Years or 2,000Hrs Wear-Life Guarantee**

All CUSHOTRAC® ReDDi™ excavator track pads come with the only wear-life guarantee in the industry. If these don't last 2 years or 2,000 hours, whichever comes first, we replace them. Product registration is required.

### **100% Work-Life Guarantee**

All CUSHOTRAC® Track Pads, including those with separate wear-life guarantees, come with our full factory warranty we call the 100% Work-Life Guarantee. We take pride in the products we make and we hold ourselves accountable in the event of poor craftsmanship. If they fail due to a defect - it's not your problem, it's ours and we intend to make it right. No product registration is required.

**Why is Product Registration required?** Because written documentation makes sure we can't deny a claim based on a "technicality" like other companies. Trust is earned.
